### **About Nyxoah**

Nyxoah is a healthtech company focused on the development and commercialization of innovative solutions and services for sleep disordered breathing conditions. Nyxoah's lead solution is the Genio<sup>®</sup> system, a CE-validated, user-centered, next generation hypoglossal neurostimulation therapy for OSA, the world's most common sleep disordered breathing condition that is associated with increased mortality risk<sup>1</sup> and comorbidities including cardiovascular diseases, depression and stroke.

Following successful completion of the BLAST OSA study in patients with moderate to severe OSA, the Genio<sup>®</sup> system received its European CE Mark in March 2019. The Company is currently conducting the BETTER SLEEP study in Australia and New Zealand for therapy indication expansion, and a post-marketing ELISA study in Europe to confirm the long-term safety and efficacy of the Genio<sup>®</sup> system.

For more information, please visit [www.nyxoah.com](http://www.nyxoah.com).

**Caution** – CE marked since 2019. Investigational device in the United States. Limited by U.S. federal law to investigational use in the United States.
